

Woman's Friend

Nearly all women suffer at times from female ailments. Some women suffer more acutely and more constantly than others. But whether you have little pain or whether you suffer intensely, you should take Wine of Cardui and get relief.

Cardui is a safe, natural medicine, for women, prepared scientifically from harmless vegetable ingredients. It acts easily on the female organs and gives strength and tone to the whole system.

TAKE CARDUI

The Woman's Tonic

Mrs. Verna Wallace, of Sanger, Tex., tried Cardui. She writes: "Cardui has done more for me than I can describe. Last spring I was taken with female inflammation and consulted a doctor, but to no avail, so I took Cardui, and inside of three days, I was able to do my housework. Since then my trouble has never returned." Try it.

Song for a Wanderer.

Wherever you may wander
On land or on the sea,
There's a haven in my heart, dear,
When you come back to me.

Whatever clouds may threaten
Your days of storm and stress,
There's a prayer within my heart,
To guard you and to bless.

And though you may be darkened
By care and fear and pain,
There's a torch within my heart, dear,
To light you home again.

Wherever you may wander
On land or on the sea,
There's a haven in my heart, dear,
When you come back to me!

The Potato Bath Helps Droopy Muscles.

The potato bath is the favorite beauty bath at the present time, and is employed by actresses, opera singers and tired society women to bring back lost beauty. This bath is said to restore contours, soften and whiten the skin, strengthen droopy muscles and make one sparkle with vivacity and beauty.

Select a large potato, hoary with age, as new potatoes are not sufficiently mealy. Cut it in two, and after jumping into the bath tub, use one of the halves upon the body, as you would a bath brush. This friction with the potato causes a fine starchy lather, and the water gradually assumes a milky appearance. Stay in this beautifying bath for ten or fifteen minutes and then rinse the body with tepid water.—The New Idea Woman's Magazine for July.

Farmers, mechanics, railroaders, laborers rely on Dr. Thomas' Electric Oil. Takes the sting out of cuts, burns or bruises at once. Pain cannot stay where it is used.

DANGER IN DELAY

Kidney Diseases Are Too Dangerous for Scotland Neck People to Neglect.

The great danger of kidney troubles is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Cure the kidneys with the certain and safe remedy. Doan's Kidney Pills, which has cured people right here in this locality.

Joseph Savage, Church St., Tarboro, N. C., says: "For some time my kidneys were disordered, the passages of the kidney secretions being scanty and painful. I had pains across my loins and if I stopped suddenly, sharp twinges caught me across my back, making it hard for me to straighten. After taking a number of remedies without finding relief, I procured Doan's Kidney Pills and began their use. They removed my aches and pains and regulated the passages of the kidney secretions. I am pleased to recommend Doan's Kidney Pills in return for the benefit I have derived from their use."

A Hymn of Faith.

Make us to feel, when times look bad.

And tears in pity melt,
Thou wast the only he'p we had,
When there was nothin' else.

Death comes alike to every man
That ever was borned on earth:
Then let us do the best we can
To live for all life's worth.

If storms and tempests dreed to see
Makes black the heavens ere,
Then do the same in Gallilee
Two thousand years before.

But after all, the golden sun
Poured out its flood on them
That watched and waited for the One
Then borned in Bethlyhem.

No Doubt True.

A teacher in a certain school was trying to explain the term "book-keeping" as applied to our railway system.

"Now, can any of you tell me the name of the office at which railway tickets are sold?"

"The booking office," replied one of the lads.

"Right," said the teacher. At this moment his eye fell on a small boy at the end of the class who was evidently paying very little attention to what was said.

"Did you hear that, Spry?" he demanded.

"Wot, sir?" asked the youth.

"As I thought, you were not listening. We will suppose your father decided to have a holiday and visit the seashore. What would he have to do before he could take his seat in the train?"

Without a moment's thought the youngster electrified his teacher by replying:

"Pawn his tools!"
